

AD INTEL LIBRARY

Users can search for and download out of access ad creatives

The screenshot displays the Vivvix Ad Intel Library interface. On the left is a dark sidebar with navigation options: CREATIVE (Ad Intel Library), DASHBOARDS (Dashboard - GM, Dashboard - Hisp, US Super Bowl LVII), and REPORTS (Monthly Report). The main area is titled 'Ad Intel Library : New Search' and includes a search bar, filters for Ad Status (Running) and Date Range (Today), and a '+ REFINE SEARCH' link. Below the filters, it shows 'TOTAL ADS: 14493' with filters for Organic Social (11768), Television (2119), Cinema (20), Opt-in Email (448), Print (135), and Radio (5). A 'Group By' dropdown is set to 'Table View'. The main content is a table of 'All Creatives' with a note that some fields are hidden. The table has columns for AD CODE, ADVERTISER, PRODUCT, MEDIA, FIRST RUN DATE, OCCURRENCES, SPEND (000\$), CATEGORY, and SUBCATEGORY. The first row is highlighted in red, indicating it is 'Out-of-access'. A detailed view of this ad is shown on the right, including an image of 'Soft Chews' and metadata: Ad Code ZU3CPN-0004, Parent Advertiser Proden, Advertiser Proden, and Product Proden PlaqueOff Powder. At the bottom right, there is a shopping cart icon with '1 item' and a download icon.

SEARCH FOR ADS IN SEARCH OPTIONS

The screenshot shows the Vivvix Ad Intel Library search interface. A search bar at the top contains the text "Search by Keyword (Advertiser, Visual, Description, etc.)". Below the search bar, there are dropdown menus for "Ad Status" (set to "Running") and "Date Range" (set to "Today"). A "Search" button is located to the right of the search bar. A callout box points to these dropdowns with the text: "Select Ad Status & the Date Range you wish."

Below the search bar, there is a "TOTAL ADS: 14493" section with filters for "Organic Social (11768)" and "Televic...". A "Group By" dropdown is set to "Table View".

An "Additional Filters" pop-up box is open, showing a search bar for filters and a list of filter categories: "Keyword Type", "Ad Code", "Media", "Category", "Parent Advertiser", "Advertiser" (which is selected with a blue checkmark), and "Product". A callout box points to the "Advertiser" option with the text: "In +Refine Search pop-up box, you will be able to select options to tailor you search."

At the bottom of the "Additional Filters" box, there are "Cancel" and "Add Filters" buttons. A callout box points to the "Add Filters" button with the text: "Once you have selected all your needed options, select apply in the bottom right corner."

On the right side of the interface, there is a "Proden" ad card. It features a thumbnail image of a "Soft Chews" product and a table of details:
